## **SELECTMEN'S REPORT - 2000**

---

The millennium came in with no glitches on the Selectmen's computers. Minimal software upgrades were required and were in place before any problems occurred. The year 2000 was a busy and interesting year. The town lost two of its department heads, but the transitions were handled by promoting from within and have worked out exceedingly well.

David P. Cook, Assistant Road Agent, was appointed Road Agent upon the retirement of Curtis M. Dunn. We thank Curt for his 27 plus years of service and for the excellent maintenance of all the roads, especially the superior job he did in the "great flood" of 1986. Thanks Curt!

Sergeant Barry G. Hutchins was appointed Chief of Police in October as Chief Robert L. Malboeuf resigned from the Department. We thank Bob for his eleven years of dedicated service. The Selectmen will be working closely with Barry to provide police coverage to meet the increased needs of 2001.

The town was saddened with the death of Cindy Budrewicz, who served for many years as the town's volunteer Recreational Director. Cindy initiated many programs such as the Easter Egg Hunt, Halloween activities and Wreath Making at the Christmas season. Cindy spent many hours on the maintenance of the ball field.

We were further saddened by the loss of Pamela Steinberg, who served as a Library Trustee for many years and also volunteered in the Library. We will miss these special women.

To Barbara Milkovits, we extend our thanks for her skills and management of the Selectmen's Office and the town business, she manages so efficiently.

We, the Board of Selectmen look forward to another favorable year such as we had in 2000, entering the new millennium.

Respectfully submitted,

*Anne Richards*

*Kenneth Greene*

*Wolfgang Millbrandt*

# MASON TOWN WARRANT

The State of New Hampshire

The polls will be open from 11:00 a.m. to 7:00 p.m. at: Mason Town Hall

To the inhabitants of the Town of Mason, in the County of Hillsborough, in said State, qualified to vote in Town affairs:

You are hereby notified to come to the polling place at the Town Hall in Mason at 11:00 a.m. on Tuesday, the 13<sup>th</sup> day of March, 2001 for the election of Town officers pursuant to Article 1 of this Warrant, bringing in your ballots for the following:

Selectman	3 years
Auditor	1 year
Library Trustee	3 years
Trustee of Cemeteries	3 years
Trustee of the Trust Funds	3 years
Trustee of the Trust Funds	1 year

The polls will be open continuously until 7 p.m. when they shall close. You are hereby notified also to meet at 7:30 p.m. on Wednesday, the 14<sup>th</sup> day of March, 2001, and at the same place to act upon Articles of this Warrant.

1. To choose all necessary Town Officers for the ensuing terms.
2. To see if the Town will vote to raise and appropriate the sum of Eight hundred sixty-six thousand seven hundred thirteen dollars (\$866,713) which represents the operating budget. Said sum is exclusive of all Special or Individual Articles addressed.
3. To see if the Town will vote to raise and appropriate the sum of Sixty thousand dollars (\$60,000) to upgrade gravel roads to paved roads, or take any other action relative thereto. Recommended by Selectmen (3-0).
4. To see if the Town will vote to raise and appropriate the sum of Ten thousand dollars (\$10,000) to purchase a pickup truck for the Highway Department from government surplus and equip the truck with a snowplow, or take any other action relative thereto. Recommended by Selectmen (3-0).
5. To see if the Town will vote to raise and appropriate the sum of Twenty five thousand dollars (\$25,000) to be added to the Highway Equipment Capital Reserve Fund previously established, or take any other action relative thereto. Recommended by Selectmen (3-0).
6. To see if the Town will vote to raise and appropriate the sum of Three thousand dollars (\$3,000) to upgrade the cathodic protection on the town's gas and diesel tanks, as required by the Department of Environmental Services, or take any other action relative thereto. Recommended by Selectmen (3-0).
7. To see if the Town will vote to raise and appropriate the sum of Three thousand three hundred dollars (\$3,300) to purchase and install eleven replacement windows at the fire station, or take any other action relative thereto. Recommended by Selectmen (3-0).
8. To see if the Town will vote to raise and appropriate the sum of One thousand five hundred

dollars (\$1,500) for the purchase of a computer system for the Police Department, or take any other action relative thereto. Recommended by Selectmen (3-0).

9. To see if the Town will vote to raise and appropriate the sum of One thousand five hundred dollars (\$1,500) for the purchase of three bullet proof vests for the Police Department, or take any other action relative thereto. Recommended by Selectmen (3-0).
10. To see if the Town will vote to raise and appropriate the sum of Five thousand dollars (\$5,000) for the engineering and design for the new town office building, or take any other action relative thereto. Recommended by Selectmen (3-0).
11. To see if the Town will vote to raise and appropriate the sum of Five thousand dollars (\$5,000) to be added to the Library Building Capital Reserve Fund, or take any other action relative thereto. Recommended by Selectmen (3-0).
12. To see if the Town will vote to raise and appropriate the sum of Three thousand five hundred dollars (\$3,500) for the following purposes: \$1,500 for the maintenance of the Mason Railroad Trail for recreation and forest fire protection purposes, \$1,000 for the planting and maintenance of trees on town property, and \$1,000 for the additional clearing work on the field area on town owned lot L-36, or take any other action relative thereto. Such funds will come from the Forest Maintenance Fund, previously established for that purpose. Recommended by Selectmen (3-0).
13. To see if the Town will vote to create an expendable general fund trust fund under the provisions of RSA 31:19-a, to be known as the Town of Mason Basketball Court Fund, for the purpose of building and maintaining a basketball court for the Town, and to appropriate the sum of Six hundred fifty-seven dollars (\$657) from the December 31, 2000 Fund balance to be placed in this fund, and furthermore to appoint the Board of Selectmen and the Recreation Committee as agents to expend from the Basketball Court Fund. These funds were donations given in memory of Pamela Steinberg and Cynthia Budrewicz. Recommended by Selectmen (3-0).
14. To see if the Town will vote to raise and appropriate the sum of fifty dollars (\$50) to be added to the Highway Equipment Capital Reserve Fund previously established and to authorize the use/transfer from December 31, 2000 Fund balance of that amount received from the 2000 sale of surplus Highway Department equipment for this purpose. Recommended by Selectmen (3-0).
15. To see if the Town will vote to raise and appropriate the sum of One hundred thirty-three dollars and thirty-three cents (\$133.33) to be added to the Cemetery Land Improvement Trust Fund previously established and to authorize the use/transfer from December 31, 2000 Fund balance of that amount received from the 2000 sale of cemetery lots for this purpose. Recommended by Selectmen (3-0).
16. To see if the Town will vote to authorize the Selectmen and the Road Agent to sell or dispose of surplus equipment from the Highway Department, or take any other action relative thereto. Recommended by Selectmen (3-0).
17. To see if the Town will vote to authorize the Selectmen and the Fire Chief to sell or dispose of surplus equipment from the Fire Department, or take any other action relative thereto. Recommended by Selectmen (3-0).

## Building Needs Committee Report

---

**A**t the March 2000 Town Meeting a Town Building Needs Study Committee was formed. The Committee asked each town board and department to look into the future as to their five and ten-year needs. After meeting with all the town departments and boards the Committee came up with these findings:

- ◆ The present town offices do not have enough storage space for the records of all of the town boards and committees.
- ◆ There is inadequate space for public meetings that are needed by town boards such as the planning board etc.
- ◆ The library is crowded and hard to access all three levels. There is no room to add any more computer stations, or to have a quiet research area for patron use.
- ◆ The Police Department is presently in a space so small that they are unable to do any Police business, other than paper work. Their storage space is limited to a room on the second floor.
- ◆ The Fire Station is full at the present time. There is no room to add any other vehicles if they are needed in the future.
- ◆ The Highway Department is unable to park all their equipment inside in the winter. In the event of a breakdown that ties up a bay in the heated building, they lose the ability to have as many pieces of equipment ready to go when needed.

The Committee has recommended that the town consider a New England barn styled addition to the Mann House that would serve as Town Offices, Police Station, Library, and provide future space for a new meeting room for Town Meetings.

The Highway Department needs do not appear to be as large and immediate as others do and may be dealt with on a different level. The Fire Department will probably need to think about expansion in the next five years.

I would like to thank the other members of the Committee for their time and help with this task, and thank the department and committee heads for their input.

As I have started as your new road agent this year, I do not feel that I have the time to continue as a member of this Committee, so I am resigning effective as of April 1, 2001.

Respectfully submitted

*David P. Cook*

Chairman

## MASON HIGHWAY DEPARTMENT REPORT

This report will be different than in the past, as this is the last year as your Road Agent. I worked hand and hand with your Assistant Road Agent David Cook, who will be your new Road Agent. He will write the report for this year.

I would like to thank my wife and family for their support during these years. The citizens of Mason have always supported the Highway Department, thank you. I have worked with the different Boards of Selectmen during these years. At times we have had our differences, but we have always had good relationships. Thank you, Selectmen. Also, during these times, I have had a good working relationship with the Administrative Assistant Barbara and Selectmen's Secretaries Helen and Linda. Thank you.

Last but not least, I want to thank the employees of the Highway Department. You have always worked hard when you were needed and worked safely, which was so important to keep our Workers' Compensation rates low. This year we did not have a single lost time accident. That's a great achievement!

At this time I would like to wish Road Agent David Cook and his staff the very best. I will always be available to help out in time of need.

Respectfully submitted,  
*Curtis M. Dunn*  
Road Agent

The Mason Highway Department came into this year with the knowledge that Curt Dunn was planning to retire as Road Agent at the end of the year. Curt has been the town's Road Agent for 28 years. There is no way to cover all his accomplishments in this report so I will just say thank you, Curt, for all the years of dedicated service to the town, and all of the highway department employees wish Curt well in his retirement. **Thanks Curt and well done!**

This January we were able to get a tree crew from Public Service to assist us in removing some of the hazardous trees that were near the power lines along the edge of the roads. This makes travel on these roads safer and winter maintenance safer for the highway crews.

We had a relatively dry spring that allowed us to grade early and start our summer program of culvert cleaning and ditching sooner than normal. We sealed part of Wilton Road, all of Pullman Road, and the paved portion of Mitchell Road with the stone chip seal.

The road upgrade project was completed on the section of Campbell Mill Road from Brookline Road to Cook's corner. This included adding two catch basins to help control run off and prevent erosion, as well as replacing a damaged culvert. Several landowners gave us permission to remove some trees to allow more sun onto the road in the winter, which will aid in melting ice and snow. The banks were sloped and seeded and the road widened in places to allow us to pave the road with material we mixed in the town's sandpit. The paving was done in early September and a coat of sealer applied in October to protect the new surface. The upgrade process begins in early spring when we mix the paving material and continues into the late fall when we purchase the stone and crush the gravel used to make this mix.

In 2001 we are again asking the town to approve another upgrade project, which is proposed to be Mitchell Hill Road from the Wilton line to the portion already paved and Abbott Hill Road from the Wilton line to the bottom of the hill near the swamp. If the town approves this it will allow us to use monies that were requested from a subdivision for road upgrades in that area.

In September we received the new backhoe purchased by the town. This should serve the town well in the future for cleaning culverts, water passes as well as acting as a backup for the loader. The department continues to send members to training sessions for safety and for highway maintenance knowledge.

Thanks to all the citizens who have assisted us during the year and to the other Town Departments who help us in time of need. And a big thanks to our Highway employees for their dedicated service to the town.

Respectfully submitted,

*David P. Cook*  
Road Agent

## REPORT of the PLANNING BOARD

---

In 2000 there were 9 subdivisions and a number of informational hearings. The Planning Board wishes to thank Dennis Meehan for his 2 years of service.

The Planning Board and Selectmen have agreed to continue with Southwest Regional Planning Commission consultation services.

Respectfully submitted,

## MASON POLICE DEPARTMENT

---

I would first like to say thank you to the Town of Mason and its Board of Selectmen for the opportunity to bring the Mason Police Department into the 21<sup>st</sup> century as the Chief of Police. The Mason PD has gone through several changes over the last year to include numerous personnel changes.

Chief Robert L. Malboeuf has left the Mason PD in order to pursue personal interests and we wish "Chief Bob" the best of luck and sincerely say thank you for 11½ years of service that you gave to the Town of Mason. Your leadership and great sense of humor will be missed. Mike Farrey has also decided that he has spent enough time chasing people through the woods after 10 years of devoted service to the Town of Mason, thank you and good luck Mike. We have sworn in four new members to the department: William Johnson, Thomas Richardson, David Hinkell and John Wagner. John LeBlanc Sr. continues to be a part of the department. All five have represented the department with professionalism and integrity as well as bringing a vast amount of experience and knowledge to the department.

We are currently implementing state approved Standard Operating Procedures for the department that will give each officer guidance in performing their duties as well as reducing liability for the town. John LeBlanc Sr. has written a firearms training lesson plan that will provide an exceptional training base for all officers. I have also implemented a program in which an officer will go into the Mason elementary school at least four days a week. They will spend one hour per day with the students doing such things as reading to them or just simply spending time with them so that they know who we are and what we do. No issue will be discussed with the students without prior notice given to the parents for review.

For the year 2001, I am asking for a 3<sup>rd</sup> full-time officer in order to provide coverage from 6am to 2am, seven days a week by full-time officers. Part-time officers will cover Saturday and Sunday morning shifts. This will not only provide a much easier means of managing the department but it will also put a great amount of knowledge on the roads for the majority of the time. I have attempted to keep the budget as low as possible but please keep in mind that the budget does reflect a 3<sup>rd</sup> full-time officer, a 29% rate increase on health insurance and an increase in the state retirement rate. Also, in this years budget is an over-time entry. We are required to pay either Over-time or Compensatory time in excess of 40 hours by state law. This has never been budgeted for in the past and was a contributing factor to the department going over budget for the past 6 consecutive years.

In closing, your support and patience are greatly appreciated while we continue to move forward within the police department. If you should have any questions or concerns regarding the budget or any other issue, please give me the opportunity to explain these changes to you in person.

Respectfully submitted,  
*Barry G. Hutchins*  
Police Chief

## CONSERVATION COMMISSION

---

The Conservation Commission greatly appreciates the support of voters at the 2000 Town Meeting, who approved our warrant article petition to dedicate the land use change tax funds for land acquisition. The Commission is now in a good position to take the opportunity for state grants that might be available through the newly established state Land and Community Heritage Investment Program (LCHIP). We met Jeff Porter of Southwest Regional Planning Commission (SWRPC) to discuss possible projects in town, which could be eligible for LCHIP funds.

During the year, the Commission met with several landowners to discuss possible donations of land or conservation easements. Mason is fortunate to have landowners that appreciate our town's rural qualities and are prepared to contribute significantly to conserve Mason's landscape. Even with donations, there are associated costs of surveys, appraisals, and deeds, so the Commission is very glad that the town has made available the land use change tax funds for this purpose.

The Commission learned further about state and local programs to protect open space when the Mason Garden club hosted speaker Digit Taylor of the NH Wildlife Federation. We coordinated with the Garden Club to encourage Mason Selectmen to support the Freedom's Way National Heritage Area initiative. This is a concept where communities in south central New Hampshire and north central Massachusetts are recognized for their key roles in the American Revolution and the Industrial Revolution. If Congress approves the Freedom's Way National Heritage Area, towns can become eligible for grants for historic projects. Legislation is still pending.

Mason's Animal Control Officer John Dube spoke to the Commission about wildlife in Mason. We have bear, moose, and two coyote packs living in town!

The Mason Railroad Trail Map is finished and available to all in the mailbox at the intersection of RR and Pratt Pond Road. Use of the Railroad Trail by OHRV's and advertising of the Railroad for this purpose on the state's web site was the subject of strong opinions at the Selectmen's meeting in November. The state Bureau of Recreation now owns the stretch of Rail Trail in Greenville that connects with the Mason RR, so they want to advertise the whole line as an OHRV Trail on the state web site. The Commission is strongly opposed to advertising the Railroad Trail because increasing traffic will drive up trail maintenance costs.

New CC members are Marcia Osborn and Stuart Sherman. Stuart has begun work on a natural resource inventory for the town.

The Commission reviewed a number of wetland violations and permit applications.

Respectfully submitted,  
*Conservation Commission*

## MASON FIRE DEPARTMENT REPORT

---

In August of 2000 the town took delivery of the new attack engine that was approved at the 1999 town meeting. This truck replaced Engine 2, a 1972 Ford / Farrar attack engine. The department members removed all the equipment from Engine 2 and remounted it, as well as the new equipment purchased on the new engine. Many of the mounting brackets were designed and fabricated in house, saving the department from having to purchase them. The department members were trained to drive and operate the new engine, and it was placed in service at the end of September.

I would like to thank the officers of the department who served as the design committee for the new truck, and followed the process to its finish more than two years later.

After all members were trained in their use, the Department has placed the rescue airbags in service that the Mason Volunteer Fire Department Association donated to the town.

The department has continued to replace some of the firefighter turnout gear that is old and worn out. We plan to replace a little each year as needed.

I would like to thank the families of the emergency service personnel as well as the members themselves for their continued support. Once again I need to thank all the Fire Department officers for their help in the operation of the department and the Selectmen and Barbara Milkovits for their help during the past year.

I would like to thank the Police Department for their help and cooperation under the leadership of Chief Bob, and wish Bob Malboeuf well in his new endeavors. I would like to welcome Barry Hutchins as the new Police Chief, and look forward to continuing the excellent relationship that exists between the two departments.

I need to thank the Highway Department for their help throughout the year, and wish Curt Dunn a very happy retirement. The two departments have always had a mutually beneficial relationship due a large part to the leadership of Curt.

Remember that a written permit is needed for outside burning, including incinerators when there is no snow cover. These may be obtained by calling the dispatch center on the non-emergency number, 1-800-562-8201. As always there is no charge for these permits.

Respectfully submitted

*David P. Cook*  
Fire Chief

## MASON FIRE DEPARTMENT FIRST RESPONDERS

---

The Mason First Responders continue to grow in membership. We now number 16, which includes First Responder, Basic, and Intermediate levels.

Training with both Brookline Ambulance personnel every month and our own Fire Department enables us to respond with a coordinated effort to provide the most efficient and appropriate care possible. I would like to thank the Brookline Ambulance attendants for their continued dedication and assistance to those of us in Mason. We could not provide the service we do without their help.

Respectfully submitted,

*Cheryl Greenwood*

First Responder Coordinator

## MASON PUBLIC LIBRARY

---

This year the library embraced the new century by weeding out the shelves and making room for some new materials. We are particularly proud of the World Book Student Discovery Encyclopedia, Animals of the World Collection, and Presidential Biographies as well as our Interfact CD/Book collection. Through the generous support of our patrons, we have been able to add several of the latest Best-sellers in Fiction and Non-fiction to our collection.

We offered a variety of programs to the community - Preschool Storytimes, Poetry Contest and Annual Tea, Book and Bake Sale, Super Raffle, Summer Reading Program, Reading Awards Event, and Winter Holiday Program. Our programming and book purchases were partially funded by proceeds from Book Sales, Bakes Sale, Raffle, and our newly imposed fines and fees.

We continue to provide the community with a public access computer and Internet access. We also provide FAX service. As a member of the Hillstown Coop, several new videos arrive each month for your borrowing enjoyment. If there is a particular book that you are looking for that we do not own, it can be requested through our inter-library loan (ILL) system within the State of NH at no charge to you.

Our Second Annual Memory Tree, graciously donated by the Mann Family, twinkled each evening during the holidays. This year patrons purchased "remembering stars" and a white light to shine in memory or thanksgiving of someone dear to them. The Mason Public Library would like to remember one of those shining stars, Pam Steinberg. She has left a legacy as a trustee and dedicated volunteer.

The Library would like to thank the entire community for its support. Special mention is made of our volunteers Joanne LeCount and Marty Milkovits for their help this year. The Brownies did another excellent job with the holiday decorating of the Mann House and orchestration of the crafts at our Holiday Program.

This is your public library. Without your support and patronage we would not exist. Visit, borrow, participate, volunteer! We appreciate all that our loyal patrons have done for us.

Respectfully submitted,

*Judy Forty*

## REPORT OF THE BUILDING INSPECTOR

---

There have been forty-nine (49) Building Permits issued during 2000. They were issued for the following (and the total valuation is also listed):

14	Permanent Dwelling	\$865,413
7	Additions to Home	98,935
4	Porch /Deck Additions to Home	17,259
1	Barn Addition	5,235
3	Garage Additions to Home	37,889
7	Garages	57,967
2	Barns	20,683
3	Sheds	7,086
1	Airplane Hangar	19,918
1	Electrical Wiring to Barn	500
6	Septic Repair	<u>18,000</u>
		\$1,148,885

Of the fourteen permanent dwellings, three were renewal permits. Of the seven garage permits, one was a renewal permit. There have been six Oil Burner Permits issued. A permit is required for installing and operating oil-burning equipment that includes replacement oil burners and/or oil tanks.

Some residents do not understand when a Building Permit is required. Please refer to the Town of Mason Planning Ordinance, Article VII. I will be happy to help with any questions.

The House and Waterhole Numbering System is continually being updated and new numbers issued. It would be beneficial if all residents would use their correct house numbers and have them on their mailboxes or posted in full view.

I hold Office Hours at the Mann House on Tuesday evenings by appointment. Please call 878-2894 for your appointment.

## REPORT OF THE MASON FORESTRY COMMITTEE

---

This past year the Mason Forestry Committee (MFC) was able to finish up on the biomass thinning started in 1999 on our town lot # L-36. This lot is located east of Townsend Road and is approximately 22 acres in size, but only has 16.5 feet of frontage along Townsend Road. As part of the thinning operation we were able to improve the access on the lot, together with establishing a 4-acre clearing on which the Mason Boy Scouts are presently growing Christmas trees. The objective of the thinning was to enhance the growth rate and overall quality of the timber growing on the site, together with improving the food sources and habitat for the area's wildlife. Committee members who live in that end of town have seen an increase in deer and turkey sightings among the clearing and harvested area during this past season. This was MFC's first biomass thinning performed on town property. Unlike a typical thinning where the slash remains behind in the forest, a biomass operation removes most of the slash and then chips it into low-grade timber products. Consequently, the harvest area is left looking neater than a conventional thinning operation. The timber products generated from the thinning were harvested by and sold to North Country Lumber Inc. of West Ossipee, NH. The project was prepared and supervised by Downs Forestry Services of Mason, NH. The Mason Forestry Committee continues to look forward to managing the town's forested land holdings and encourages our residents to venture out and enjoy the recreational opportunities and wildlife among them.

Below is a summary of our financial activity during this past year:

MFC General Fund beginning balance January 1, 2000 .....	\$55,441.61
Funds dispersed during 2000:	
-Fee to forester for preparing /supervising thinning lot L-36 .....	\$2,489.43
-Timber tax payment to town (total for lot L-36) .....	\$1,332.21
Funds received during 2000:	
-Stumpage payment from lot L-36 selective thinning .....	\$9,001.02
-Interest income .....	\$3,522.55
MFC General Fund ending balance as of December 31, 2000 .....	\$64,143.54

## REPORT OF THE CEMETERY TRUSTEES

The year 2000 was a very busy year in the cemeteries due to the wet, cool weather which made the grass grow more than usual. The painting of the fence at Prospect Hill Cemetery was completed. We had another gate made by Mr. Channing Mould for old Pratt Cemetery and it was installed. We now have new gates on all of the cemeteries.

The new section of Prospect Hill Cemetery is now completed and lots are being sold. Anyone interested in buying a lot should call Wallace Brown at 878-1481. In 2001 we will paint the fence at this cemetery.

We will be removing some dead trees and branches in all cemeteries in 2001, along with the fertilizing, mowing and raking.

Respectfully submitted,

# REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

---

There are 2,200 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with the fire towers being the first to report over 135 fires. These fires were quickly and accurately reported to the local fire department for their prompt and effective suppression efforts. Wildland fires occurring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their homes by maintaining adequate green space around them and making sure that houses are properly identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in assessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire department to find out if a permit is required before doing ALL outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the NH Division of Forests and Lands, Forest Protection Bureau. Forest rangers have investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217, or for general information visit our website at [www.dred.state.nh.us](http://www.dred.state.nh.us).

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire department. These factors are critical in controlling the size of wildland fires, keeping the loss of property and suppression costs as low as possible. Please contact your local fire department BEFORE using portable outdoor fireplaces and vessels, including those constructed of clay, concrete or wire mesh. Please contact your local fire department before doing ANY outside burning.

## PAMELA STEINBERG

Remembered by Diana LeBlanc, former Librarian, Mason Public Library

Pam "discovered" the little Mason Public Library, tucked behind the church parsonage, after spending her first winter with her young daughter, Marisa, out in the far woods of Mason. After a few minutes of browsing among the bookshelves, she quietly approached me, the librarian, asking if I knew what sort of activities there might be available for her and her family in and around Mason. I was more than happy to talk her ears off about the storytimes for preschoolers at the library and our need for volunteers, the Mother's Group that gathered at the church hall every Wednesday morning to share coffee and parenting ideas, local strawberry picking and the famous Strawberry Festival in June, and more. I have to give her credit for not running away from this onslaught of enthusiasm and information. She seemed very quiet and shy, but I learned that her ability to focus on what others were really saying and to speak what was truly in her mind and heart, was a skill I can only hope to acquire someday. From that day on, Pam & I shared many good times and worries about our families, our homes and our community. She loved books and stories, especially the wonderfully illustrated picturebooks for young children. Throughout the years, she served the Mason Public Library as volunteer, trustee, book donor many times over, storytime organizer and reader, and support person for the library and librarian. She always listened well and helped others listen to themselves. She offered solace and options, but did not force her ideas on others. She was strong without being willful, intelligent without being pompous, caring without being possessive. She embraced life and shared it with everyone she knew, and that vitality is still with me, although I sorely miss her listening ears and heart.

## CYNTHIA A. BUDREWICZ

September 6, 1952 – August 12, 2000

Cindy moved to Mason in 1978 to a new home that she had built on Briggs Road. Cindy grew up in Massachusetts, attending schools there. Her father Ben and brother Bill still live on the family homestead in Groveland, Massachusetts.

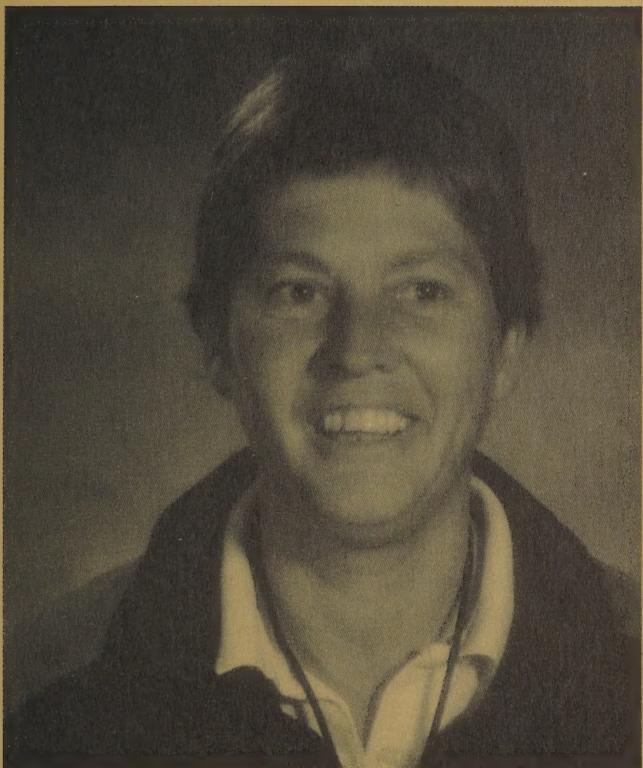

A graduate of Plymouth State College, Cindy began her teaching career for the Groton Dunstable School System. For many years she taught at the high school. Her duties included coaching, athletic director and above all a teacher. As her career continued, Cindy changed hats and moved to the middle school. At the middle school she focused on programs during and after school for her students. In 2000 Cindy was voted Massachusetts Middle School Physical Education Teacher of the Year.

Shortly after moving to Mason, Cindy took a very active role with the Mason Recreation Committee. She was instrumental in the development of the Mason Ball Field. She had such a passion for young people. It wasn't long before Cindy became Chairperson of the Rec. Committee. The early years were devoted to the progress of the ball field, youth basketball, Mason Rec. Day held in June to name a few. We will always remember the chicken barbecues, volleyball games, horseshoes, road race, the fun run for the youngsters, face painting and children" games that took place during that day.

Events for the adults happened as well. First Aid classes, trips to Boston to see the Celtics and the Bruins play, deep sea fishing, volleyball night at Appleton Academy, ham and bean suppers upstairs in the town hall will be remembered by many of us in town.

Cindy loved planning activities for children. Halloween was one of her favorites. She would dress up with the old man mask and trench coat. No one seemed afraid of the costume because we all knew that it was Cindy. The Easter Egg Hunt was special because she would love to hide the golden eggs and then watch to see who found the special eggs. Christmas, oh how Cindy loved Christmas! Wreath making will not be the same without her. She would arrive early on wreath making day with her coffee maker, boom box and Christmas tapes for all to listen to as they were making their wreaths and Christmas decorations. It was a good thing that Cindy made a small wreath because she spent most of the morning talking.

So many of us saw the public side of Cindy and a few of us saw the private side as well. Cindy was dedicated to teaching, young and old alike. She loved her dogs deeply and was seen with them where ever she went. Cindy was a musician, playing the trombone and guitar. For many years she played in the temple Band and the Wapack Brass. She loved the out-of-doors and her beautiful cabin in Maine. Fishing was one of her great passions, fly-fishing was her specialty. I would like to think that Cindy has hung out her sign "gone fishing". Cindy, you will be missed.

Cynthia A. Budrewicz
